

August 2007 Night Street Series

Orienteering

The Auckland Orienteering Club's Night Street Series. Get out onto the streets of Auckland after work, practise basic map reading and navigation, get some exercise, and have some fun.

You set the pace—Walk, jog or run.

We provide you with:

- a basic map showing the streets in the area and location of all the controls
- Special control markers for you to visit
- A clip card to record your control visits
- a hot cup of soup on your return

One Hour Street Events: Individuals or Teams. 20 controls. Course 1 visit any 18; Course 2, any 14; Course 3, any 10; Course 4, any 6; Aim to return within one hour.

Three Hour (or 1.5 hr option) Street Rogaine Event:

Teams of two or more. Teams must stay together at all times. We can team you up if you come alone. Visit any number of controls to gain the maximum points within the allowed time. Points deducted for exceeding allowed time. See AOC website for further details and updates.

Other Orienteering Events

Orienteering events are run year round. Explore the Auckland parks in the Auckland Summer Series. Challenge yourself in the pine forest, farm, and park events. Experience mountain bike orienteering. Go to the extreme with rogaine, sprint or the championships.

To find out more and to receive news about other orienteering events, check out our club website or join the club—it's a great way to stay informed and includes subscription to the Auckland Orienteering and NZ Orienteering magazines among many other things.
