

Planner: Adam Bateman - Controller: Thomas Brendolise

It was quite a brisk night for a run, but the rain stayed away and we had a good crowd running all over Mount Albert tonight.

Thanks to Thomas and Adam for a well planned event. The routechoices were quite tricky to decide between. A very good effort for first time planners.

Thanks to the parents of the MAGS boys as well who bought along the delicious baking for fundraising. The MAGS boys are off to Italy next year for the World Schools Orienteering championship.

Next week is in Howick, an area that not many people normally run so it will be a bit different and maybe a bit more of a challenge. The fundraising baking will be there again next week so bring along a bit of extra cash for that.
