What a beautiful evening to be running around the Auckland Domain. The place was certainly buzzing tonight with reports from competitors that finding the controls became easy as you headed for the large cluster of people! Thank you Joshua for a great set of courses. There were lots of smiling faces as people returned to the campermaric for their keys. We hope that the large group there to help celebrate the birthday of Joshua's sister all had a great evening.

Next week the event is on Wednesday 16th. We are out east at Highbrook, East Tamaki, starting from the staff car park of the Fisher and Paykel premises in Nassipour Way, off Business Park North. Coming from the north you can either come along the southern motorway and exit at Highbrook or approach from Ti Rakau Drive turning right into Trugood Dr, right into Cryers Rd, then right into Highbrook Drive and right again into Business Park North. This map is a little different as it has a mix of interesting parks and a business park environment - a little more road running than most of our maps but offers good variety and has some very pleasant regions. As always we look forward to seeing you there.
