Course Closure Time:

New to orienteering? Ask for help.

WHAT TO DO

1. **Read the displayed Health and Safety Notice.**
2. **Choose a course based on your experience level.** (Shorter courses are technically and physically easier. Longer courses are for more experienced orienteers.) Ask for help at the caravan if you are unsure or new to orienteering.
3. **Buy a map and clipcard from the registration caravan.**
Note: *You may run more than one course at no extra cost.* Start anytime between 5:30pm and 6:45pm.
4. **When you start, record your name, school or group, and start time on your clipcard.**
At each control you visit on your course, clip the clipcard in the spaces provided.
5. **When you finish, record your finish time and time taken.**
Staple your clipcard onto the result string on the back of the registration caravan.
